at E1526 Sprague avenue, last night chased a lone holdup man from his store to the Northern Pacific tracks, where he lost sight of him in the darkness. The holdup entered with drawn pistol, covered the owner and a helper and demanded money. Miller dodged into a back room and from his place of concealment announced in loud tones that he, too, had a gun and was to get into action. The simple announcement was enough for the thug, who tore off the screen door, so great was his hurry.

Miller told officers that the holdup was about 27 years old, was unmasked and wore a cap, gray coat and overalls. Mr. Miller was held up at the same address in 1904, when his brother was shot in the nose by one of three robbers and he lost \$71 from the cash drawer.

## Daily Chats With the Housewife

### SOME FAMOUS CANDY RECIPES.

**Mexican Nugat.**  
Five cups sugar, 1 cup "Golden-Glory" molasses, 1 cup hot water, 3 eggs (whites), 1 cup chopped nut meats (walnuts), vanilla. Boil the sugar, molasses and hot water until a soft ball is formed when dropped into a cup of cold water. Then beat 1 cup of this sirup into the whites of eggs beaten stiff. Beat the rest of the sirup and eggs; beat in the chopped walnuts and flavor with vanilla. Turn into a greased mold and, when cold, cut into squares or finger lengths.

**Quick Molasses Candy.**  
One cup molasses (New Orleans brand), 1-2 cup light brown sugar, 2 tablespoons vinegar, butter the size of an egg. Boil steadily about 10 minutes, then try in cold water, if it hardens, it is done. Just before taking from the fire add 1-2 teaspoon baking soda. (Do not dissolve it). Pour on buttered plates to cool and pull as soon as it can be handled.

**Nut Candy.**  
Three cups brown sugar, 1-2 cup water, 1-2 cup Karo corn sirup, but for the size of a walnut, 1 cup chopped nuts, vanilla. Cook sugar, water and sirup together until it forms a soft ball when tried in cold water. Remove from fire, add butter and beat until it begins to sugar. Then add vanilla and nuts. Mix well, pour into

plates which have been buttered and mark off in squares.

**Peanut Brittle.**  
Parch and shell peanuts and closely line a large greased platter with them. Carefully melt (so as not to burn) the sugar. Pour in platter enough to cover the nuts. When cool enough mark off into squares. No water must be used in melting the sugar and the sugar should not be allowed to boil.

**Candy Pudding.**  
Four cups granulated sugar, 3 tablespoons Karo corn sirup, 1-2 teaspoon cream of tartar, 1 cup boiling water. Cook until it forms soft balls; let cool, then beat until it creams. Work well like dough, using confectioner's sugar. Divide and cool. Roll up and pour melted chocolate over it. Cut in slices.

**Chocolate Carmels No. 1.**  
One half pound Baker's chocolate, 1-2 pound butter, 1-2 pint milk, 3 pounds brown sugar, 1-2 bottle vanilla. Stir the ingredients well together and let boil 1-2 hour. After it begins to boil, stir all the time. When a small amount of the mixture will form a soft ball without adhering to the fingers, when put in a cup of cold water, the candy is done. Add vanilla a few moments before taking from the fire. Have buttered platters or tins ready and mark the candy off in squares while it is soft.

## EXTREME WEAKNESS AND SUFFERING

Read How Mrs. Goodling got Relief and Strength.

York, Pa.—"I have used Lydia E. Pinkham's Vegetable Compound and found it to be all you say it is. I was so sick that I could not stand at my sink to wash dishes and I could not sit without a pillow under me. I had the doctor every few days but since I have taken the Compound I don't have to send for him. I have had three children and could not raise any of them, but since I have taken the Compound I have a bright baby boy. I advise every suffering woman to try it and get relief. It has done wonders for me."—Mrs. CATHARINE GOODLING, 138 E. King Street, York, Pa.

When a medicine has been successful in bringing health to so many, no woman has a right to say without trying it. "I do not believe it will help me." There must be more than a hundred thousand women in this country who, like Mrs. Goodling, have proven what wonders Lydia E. Pinkham's Vegetable Compound can do for weak and ailing women. Try it and see for yourself.

If there are any complications you don't understand, write Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass.
